AMENDMENT

Madam:

In response to the Office action of July 13, 2005, please amend the above-identified application as follows:

Amendment to the Specification:

The amended Specification is submitted in the attached hereto **Enclosure 1**, which includes 15 pages. There has been taken to consideration the "Notice of References Cited" [Form PTO-892 (Rev. 01-2004)] delivered by the Expertise on 1 page, regarding the pertaining thereto the prior art of ultrasound location of a target. This amended Specification includes no new matters. All the amendments to the specification and the additional text therein are enclosed in square brackets. The deleted text is shown in the strikethrough or double brackets format. This amended Specification will replace the prior version of the application: "Method of Defense-in-Depth Ultrasound Intrusion Detection".

Amendments to the Claims:

The listing of claims is submitted in the attached hereto **Enclosure 2**, which contains 7 pages. This listing of claims will replace all prior versions, and listings, of claims in the application: "Method of Defense-in-Depth Ultrasound Intrusion Detection".
